

Social Media Toolkit

Social media is a powerful tool to raise awareness and visibility to issues of importance. It gives everyone a voice and connects us to an infinite number of ideas, people, and organizations. We encourage you to join the conversation using the hashtag, **#acutepainsummit** throughout the day.

SOCIAL MEDIA POSTS

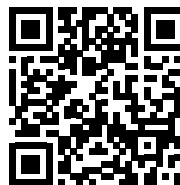

Below are posts you are welcome to use during the summit. For easy access to these post digitally, please go to **www.acutepainsummit.org/agenda** or **scan the QR code** at the bottom of the page.

- Today, I'm attending the National Summit on Acute Pain Management. Follow the conversation with #acutepainsummit.
- Intro remarks made by Dr. Jonah Stulberg of @ISQIC1 on the opioid epidemic and the importance of guidelines for health care providers to look after their patients. #acutepainsummit
- Beginning the panel discussion on surgical opioid reduction initiatives and their role in patient care at large health systems and surgical collaboratives. #acutepainsummit
- Listening to Dr. Shari Ling of @CMSGov, Dr. Suchitra Iyer of @AHRQNews, Cathy Gurgol of @PCORI on their key focus areas and recent successes to improve the treatment of pain. #acutepainsummit
- The clinician panel proves that acute pain management is not a one-size-fits-all approach. The geriatric, pediatric, and chronic pain populations require and deserve effective pain care. #acutepainsummit
- Great presentation by Keynote Alicia Richmond Scott of @HHSgov on the Pain Management Best Practices Inter-Agency Task Force, their final report, and recommendations to better the care for acute pain patients. #acutepainsummit
- Congress has made substantial strides on addressing the opioid epidemic, but more can be done to focus on acute pain. #acutepainsummit
- Wonderful event today at the National Summit on Acute Pain Management in Washington DC. Learned about the innovative approaches by clinicians, agencies, and other stakeholders to combat the opioid crisis while successfully managing acute pain. #acutepainsummit
- Special thanks to @ISQIC1 for hosting the #acutepainsummit and bringing stakeholders to discuss strategies improve health outcomes for pain patients.
